- HRD Audit is a comprehensive evaluation of the current HRD strategies, structure systems, roles and skills in the context of the short term and long term business plans of a company.
- It is a tool to assess the present. The blueprint for the future.
- It means, a systematic assessment of the strengths, limitations, and developmental needs.

# INTERNATIONAL HUMAN RESOURCE MANAGEMENT

## Managing Performance

June 11, 2008

1

## Managing Performance

- Organizations seek to continuously improve upon their corporate performance (headquarters and subsidiary units) against clearly defined, preset objectives, goals and targets
- The performance of individuals working in an organization is determined by numerous considerations, including pay, training and development measures, working environment,

# POLICE SERVICE
